## New Things in 2024

#### Library Cards

2024 has brought many new and exciting opportunities! We kicked off the year by celebrating our 90<sup>th</sup> anniversary and local artists with new limited edition library cards. Patrons have been selecting them at a similar rate thus far and are happy to exchange their orange cards for the new versions. The only difficulty for some is choosing which design they want. FYI the old cards are not going to waste thanks to a great idea by our clerk, Julie Hawkins, we purchased a guitar pick punch and are making orange guitar picks. We will be filling a glass vase at the circulation desk with the picks to help promote the dulcimer group. They will be free for anyone who would like one and will be used to replace picks for our dulcimer players.

#### Monday Night Dungeons and Dragons

Thanks to Miss Brooke for listening to her youth patrons' proposition to host a Dungeons and Dragons Group. We now have three groups of middle schoolers carrying out D&D campaigns every Monday after school. Miss Brooke is facilitating by providing the needed materials for play, but the kids are taking charge of set up, cleanup, and snack rotations. They are so thankful to have this opportunity each week.

#### Family Tree Fridays

Continuing in the theme of listening to patrons wants and needs, Erica has developed a new monthly program for those interested in genealogy research. Each month, she shares her research expertise on a different resource. In January, patrons explored FindAGrave and other tools for locating burial records. This month she will focus on how to use newspaper databases to research family history.
