#### 7. Old Business

A. Discussion and Consideration: Library Building Project

The Board decided to dispose of all of the furniture stored at the Swiss Center of North America at this time, rather than to find new storage options. Truttmann will look into the steps necessary to sell the metal shelving for the scrap metal. The metal scrapping and/or disposal plan will have to include removing shelving currently stored in Hoesly's barn. Lague will contact Joe Cockroft to discuss how the village staff could assist in disposal of the items at SCNA, and ask if the Village has a trailer. The large wooden desk could be given away or burned. Truttmann and Lague will coordinate dates to make a plan to remove the items.

B. Discussion and Consideration: Phased Reopening of the Library

Lague reported that the current service model continues to provide the most consistent and widest access to patrons while balancing safety. Library staff are keeping an eye on current COVID-19 news and public health recommendations. Lague notes the American Academy of Pediatrics recommendation for universal masking in schools regardless of vaccination status, and the Village Board's recent decision to require masks during meetings. Mask requirements for Village Hall in general have not changed

The Board decided that going forward, its meetings will continue to be held at Village Hall in the Community Room. Trustees will bring masks and wear them if it is determined to be prudent. Members of the public who attend meetings will be asked to wear a mask if the Board is masked. If there is a request to do so, the Board will meet via Zoom.

#### 8. New Business

A. Discussion and Consideration: Library Director Search

Blahut made a motion to approve the edits made 7-21-21 to the Library Director job description. 2nd by Newberry. Motion carried. Lague will send all other library job descriptions to the LB before the Aug 4 meeting so the Board will be prepared to update them, following the Village's Baker Tilly format. The Board edited the Library Director job posting and will send this description to

Mark Ibach for posting on SCLS. The job will also be posted on the NG Library webpage-on the employment tab. Hiland shared a suggested timeline for hiring a new director. This timeline may be adjusted as necessary. The LB meeting for Aug. 18 is cancelled because three trustees are unavailable and there would not be a quorum.

# Director's Report – July 21, 2021 Holly Lague, Director

# Library Services

We continue to welcome patrons in for browsing Mondays, Wednesdays and Fridays, with window-only service on Tuesdays, Thursdays and Saturdays. Masked browsing appointments are available on the window-only days, and we've let single patrons in to use the computer during those times as well. Staff continue to wear masks to help provide a safe environment for younger children and others who cannot be vaccinated.

# Summer Library Program

We've hosted two successful Book Giveaway days, with families visiting the Community Room and selecting a free book for kids 0-18 to keep. Word about Ms. Brooke's crafts seems to spread quickly at Monday swimming lessons, as we've had many towel-wrapped kiddos visit the window asking for "the craft bag my friend has?" Younger kids are also enjoying the dragon tail search in the library during browsing days.

# Milo Parker Display and Prize Giveaway

Local artisan Milo Parker has arranged a lovely display for us of his woodcarvings and handmade instruments. He included background information about how dulcimers are related to the Swiss zither and other folk instruments, and how they're used in various music styles including blues. All are shared in the spirit of celebrating things we've learned from books. He also generously donated books and instruments to be given away as prizes for a drawing we'll hold on August 16.

# Traveling Exhibit: Celebrate the Grasslands

We're looking forward to hosting a three-panel display about grasslands and native birds in early August, sponsored by the Driftless Area Land Conservancy. The exhibit was originally planned for 2020 but postponed due to the pandemic. We expect it to *dovetail* nicely with Milo Parker's carved bird display and book giveaway.

# Director's Report – September 15, 2021 Holly Lague (July) & Erica Loeffelholtz (August)

# Library Services

In August, both the library and Village Hall began requiring masks for indoor services once again. On September 1<sup>st</sup>, the weekly report issued by the Wisconsin Department of Health Services indicated that covid-19 transmission had reached the "very high" level in Green County. Due to concerns over the highly transmissible delta variant, the library returned to a curbside-service-only model right after Labor Day. We will re-assess on a monthly basis to determine when the library will re-open to in-person browsing.

# Summer Library Program

Miss Brooke wrapped up another successful Summer Library Program in early August. Highlights include:

- 249 views of virtual storytime and "Cook with a Book" programs
- 800 grab-and-go crafts for preschoolers, school agers, and teens
- 336 visitors to our three Book Giveaway days
- 4 StoryWalks posted in Village Park and the Elementary School (with 4-6 more to come this year)
- 149 Scavenger Hunt participants
- 12 grand prize winners

We appreciate the support of our sponsors: The Bank of New Glarus, Country View Veterinary Service, New Glarus Lions Club, New Glarus Utilities, South Central Library System, State Bank of Cross Plains, New Glarus VFS Post 10549, The Friends of the New Glarus Public Library.

# Friends of the Library Book Sale

The Friends hosted their annual book sale on September 4<sup>th</sup> & 5<sup>th</sup>. While there were no huge rushes of visitors, the sale saw steady traffic both Saturday & Sunday. The unofficial total for this year's sale was a little over \$3,000. (For comparison, the Friends earned \$2,400 in 2019 and \$1,700 in 2018.) This year they decided to do away with set prices for items, and instead all sales were by free will donation. This model was so successful that they plan to continue with it in the future.

# **Community Foundation Grant**

As part of our continued partnership with the New Glarus Historical Society, Erica is planning to apply for a community foundation grant to purchase digitization equipment for photographs, slides, and negatives. We are looking at purchasing equipment similar to that offered in the SCLS scanning kit, so that it is portable and easy to store, and can travel between the library and museum as needed.

Discussion and Consideration: Phased Reopening of the Library: Due to the current high COVID 19 infection rates in Green County the Library Board agrees to continue to limit service to curbside only until rates show a decrease for 2 consecutive weeks. Staff will offer masked appointments for browsing and computer usage. These services will be by appointment only, 6 days a week.

<u>Discussion and Consideration: Library Director Search:</u> The Library Board has an interview scheduled for the morning of Oct 30th. If the Board does not initiate a new hire after the interview, the board supports increasing current staff hours to assist the interim director until a hire is made. Any increase shall remain within the budget.

# Director's Report – October 11, 2021 Erica Loeffelholtz

# Library Services

With the return to curbside service only after Labor Day, September was a quiet month at the library. Thus far, patrons have been kind and understanding regarding the current situation. Staff is disappointed to see that Green County covid numbers are holding steady, with an average of 80 new cases per week in September.

# Grab & Go Kits

Patrons have responded enthusiastically to the return of weekly story time grab & go kits, as well as the monthly adult kits. (October's adult craft "sold out" in just three days!) We partnered with the Green County 4-H Extension to offer free school-age STEM kits during National 4-H Week (October 4<sup>th</sup>-9<sup>th</sup>), and we'll also be partnering with the Wisconsin Science Festival to offer free Science in a Bag kits October 21<sup>st</sup>-23<sup>rd</sup>.

# Friends Donation & Story Walks

At the September meeting, the Friends donated \$500 to the library for the purchase of a new laminating machine and additional supplies for the Story Walks. The Story Walk in Village Park was damaged over Oktoberfest weekend, and Bekah Stauffacher at the Chamber of Commerce donated an additional \$100 to help cover replacement costs. (After some discussion, we've decided that in the future we will remove the Village Park Story Walk ahead of major festivals.) We are looking at potentially adding a third Story Walk location next year, since we've gotten such positive feedback from families.

# Local History Resource

Bob Elmer, who has helped us with translation work in the past, has offered us his archive of Family History Notes to be included on the Local History section of our website. I'm in the process of getting the newsletters uploaded, and then we'll announce the addition on Facebook. Genealogy reference requests have increased a great deal in the past year and a half, so I think this will be a great addition to our collection.

# Director's Report – November 15, 2021 Erica Loeffelholtz

# Annual Library Visit

Erica met with Michelle Karls (via Zoom) on November 11<sup>th</sup> to discuss library services and challenges over the past year. Two successes to note include the extreme popularity of grab & go crafts (we may continue to offer adult kits even after we return to other in-person programs) and an increase in genealogy reference requests. We also talked about getting ready for the annual report.

# Summer Reading Workshop

Brooke attended this year's summer reading workshop on November 11<sup>th</sup> virtually. Next year's theme is "Oceans of Possibilities." We are currently working on lining up summer performers. Ideally, we'd like to hold all in-person events in the park, weather permitting. So far we have confirmed the Welty Environmental Center will be bringing their "Turtles to Go" program on June 30<sup>th</sup>.

# Woodford State Bank Donation

We received an email from Woodford State Bank on November 9<sup>th</sup>, informing us that the library will be included in this year's 25 Days of Giving. We will be receiving a \$100 donation, and our organization will be recognized by Woodford State Bank on December 4<sup>th</sup>.

# Christkindli Market

Bekah Stauffacher at the Chamber of Commerce invited the library to participate in the inaugural Christkindli Market. We will be hosting a holiday story time and craft event on Saturday, December 11<sup>th</sup> from 10 AM to Noon. The library will also be sharing our popcorn maker with the Lion's Club that weekend, as they want to set up a both to sell hot cider and popcorn at the festival.

# Director's Report – December 15, 2021 Erica Loeffelholtz

# **Green County Share Funds**

After speaking with Angela Noel at Brodhead, Erica learned that we have \$1,519 in Green County share funds that can be used for 2021 programming. (Normally the Green County directors work together to use these funds for a staff development day or a big program, but given the current situation, the directors instead decided to divvy up the funds for each library to use as they see fit.) Receipts were submitted to Andrea Sweeney at Green County on December 9<sup>th</sup>.

# Staff Development

Megan is nearing completion of the OverDrive support course offered by SCLS, and is becoming more familiar with helping patrons troubleshoot within the Libby app. Both Megan and Amy have now completed the Readers' Advisory course offered through WebJunction, and we are now looking into additional WebJunction offerings that could be useful to them in their current positions.

# Winter Reading Program

The Cozy Up to a Good Book winter reading program will be returning for its sixth year in January! This program is for our adult patrons (the kids have their fun in the summer), and has proven to be a popular event. This winter we'll once again be allowing patrons the option to submit entries in person or online, and we'll be bringing back our popular scratch-off tickets so that everyone is guaranteed to get at least a small prize with every entry.
