

Director's Report –January 18, 2023 Amy Trumble

Christkindli Market and Adventfenster

Brooke put together 200 craft kits to donate to the Christkindli Santa Chalet. Santa distributed all 200 kits to kids in just over one day at the market. The Adventsfenster window reveal, on December 7th, was attended by 14 people. Erica read the story Snowflakes Fall by Patricia Mclachlan. Hot chocolate, cider, and treats were enjoyed by all in the library following the reveal.

Curbside Window is now Closed

Over the course of 2022, curbside window use dropped dramatically. We started 2022 with 293 window visits in January, averaging just over 12 window pick-ups per day. In December of 2022, that number dropped to 57 visits, averaging just under 3 visits per day. Conversely, we began 2022 with 805 patrons coming into the library during the month of January, and we ended the year with 1170 patrons coming into the library for service in December. Further, with an increase in the number of patrons coming into the library we felt the need to improve the flow within the library. In order to use the window for transactions we had to rearrange furniture, which made other areas of the library more crowded. Closing the window has allowed us reevaluate the flow pattern in the library. Finally, with more patrons seeking assistance at the desk and within the library, our attentions were split when help was needed at the window. This was especially difficult when fewer staff members were working. Thus far, patrons who had been using the window have been receptive to the change and are pleased to be back in the library browsing.

Library Reorganization

At our staff meeting, plans were made to open up some space in the library to make it more inviting for patrons. Initial steps are underway to make better use of our collection space by consolidating genres, using the overflow shelving for seasonal items as well as non-fiction DVD's/audiobooks, and weeding of some lesser used materials. This will allow us to move three movable carts into storage, widen walkways, and bring back two chairs that were previously in storage. While we remain in this space we hope to make it a welcoming and useful space for patrons.

Equipment Purchases

The library purchased an upgraded laminator that arrived in December. It will be able to handle the high volume of laminating done to create Story Walks and programming materials. This may allow us to consider offering laminating as a service to patrons, with a set fee per foot. A Cricut machine was also purchased as we had been using a staff member's personal machine in order to create programming materials.
