## Director's Report –February 15, 2023 Amy Trumble

#### **Summer Reading Program**

Letters went out in January to area businesses informing them of programming and events for the Summer Reading Program and requesting donations. Response has been good, we have already started receiving donations. This year, in addition to Story Walks, a Book Giveaway Day, and regular weekly programming, we will be hosting children's musician and wordsmith, Duke Otherwise, The Welty Environmental Center's Monarch Butterfly program, and Music with Corey. Additional events will be posted as they are scheduled.

#### **Adult Programming Planning 2023**

In January, Erica met with the Swiss Historical Village to discuss adult programming. Plans are underway for events centered on gardening, art, music, local cemeteries, and one-room schoolhouses of Green County. I met with Home of Our Own to plan partnership events for the year. We are planning to host a Ukrainian Easter Egg event at Home of Our Own that will focus on helping support the Ukrainian family that recently moved to New Glarus. We will also be working on scheduling an author event, a workshop with local Master Gardeners, and a holiday kickoff musical event.

#### **Library Reorganization**

We completed the reorganization project that we began in December. Consolidation, weeding, and use of overflow shelving allowed us to open up space and move two additional chairs back into the library. More space is available for patrons to comfortably browse and enjoy all that the library has to offer.

#### Winter Reading Program

This year's Winter Reading program began in January and will go through the end of February. We had one hundred and thirty five submissions during January, with positive feedback from patrons. We sent out postcards to promote the program in addition to our normal postings. Patrons are enjoying the prizes, and reading reviews on Facebook and on the library bulletin board.
