#### Director's Report –July 19, 2023 Amy Trumble

#### **Record Summer Reading Program Numbers**

Thanks to the hard work of Brooke Mathews, our Youth Services Librarian, and the generous donations from New Glarus area businesses, we had record attendance at our summer programming events during June. The library had 1,444 people in attendance at our children's programs, which is more than June and July numbers combined in previous years. We still have a couple of weeks remaining for our Summer Reading Program. We are excited to see what are final numbers are for July! (July 2023 numbers below are through July 14<sup>th</sup>)

#### **Epson Scanner is Up and Running**

We had our first few patrons come in to work on scanning projects during the month of June. After a brief tutorial, each spent a couple of hours at the library digitizing photos. Although the patrons using the equipment expressed concern because they were not generally users of technology, they had no trouble using the scanner for their projects.
