#### **Summer Reading by the Numbers**

This was a great year for Miss Brooke's Summer Reading Program! Check out the attendance at the library's events over the two months.

#### **Charging Station Update**

If you've been over to Village Park recently, you may have noticed that the cement has been poured for the solar charging station and bench. By the time of this meeting both should be installed barring no issues in set up. The bench will be bolted in place as visitors have been known to move benches around the park and not return them. We will be creating a plaque to recognize the donation of the pole from SCLS, the donation of the bench from the New Glarus Lions Club, and the donation of the cement pouring from the Friends of the library. We are currently figuring out the logistics of how to recognize all of them with plaque size limitations.

#### Planning for the Library's 90th Anniversary in 2024

We've been making plans to celebrate the library's 90<sup>th</sup> anniversary next year. We will be releasing new library cards beginning in January to celebrate the library, local artists, and New Glarus. There will be four different designs to choose from featuring four local artists. Thanks to Jim and Jody Hoesly's generous donation that will allow us to do this.
