

Friends of NG public Library Minutes
7PM at the library
February 21, 2019

Present : Holly Lague, Rachel Frye, Erica Loeffelholz, Cindy Brunner, Sherry Siekert, Margie Irland

1. Policy of sending thank you for donations. We will continue the same. Contributions received as being a "friend" are not sent acknowledgment and are considered to be active member invited and encouraged to attend meetings. Other money given to the friends will continue to be acknowledged.
2. Fund raising: Sherry S spoke of idea of an Escape room done here at Library as a possibility. She will research this and report back at the next meeting. Spoke of doing this while the annual Grace Church Family Fest occurs if they agreed with concept.
3. Trivia night: April 13th at Edelweiss Golf Club House Jeff will give use to us Gratis again! Doors for event will open at 5:30. Silent auction starts and Trivia will start at 7PM. After round 2 of 4 rounds, the last chance to bid on auction will occur and then bid sheets will be rounded up. Erika is working on the trivia questions. She will contact Beca to see if a power point is needed. Jeff confirmed a speaker system and microphone are available. Margie will ask one of the Heidi Men if they will help again with sale of raffle tickets and if they want to do their own questions. Margie will do set up at 2PM that day and would like a couple helpers. We would like more ideas on how to promote the event to folks outside the village. Rachel already sends to radio stations and Isthmus other newspapers and social media.
4. Rachel will make up donation sheets to give to those who contribute to auction. She will email copies to all active members and we will participate in asking for donations. A separate list will be sent showing who contributed last year and which of us will ask again this year. Sherry S already volunteered to speak to several business owners.
5. Cindy gave financial report.
6. Adjourned 8:15 PM Margie Irland
