COMMENTS & QUESTIONS FROM THE PUBLIC

There were no members of the public present.

OLD BUSINESS

A. DISCUSSION AND CONSIDERATION: LIBRARY BUILDING PROJECT ITEMS STORED AT SWISS CENTER OF NORTH AMERICA (SCNA)

Linda Hiland reported that Beth Zurbuchen, SCNA President/CEO, requested that we remove the items stored in the SCNA basement due to an imminent remodeling project, beginning in one month. The library board will evaluate storage options, and estimate the value of items stored at the SCNA site to determine which are a priority to keep, how items should be stored (i.e., wood vs. steel) and whether the value of the items is greater than the cost of moving and storage. The library board estimated that 15-18 months of storage, if the project proceeds on schedule. Scrapping the steel items could be an option.

DIMENSION IV FEE PROPOSAL FOR DESIGN OF UPDATED WEST SIDE SITE

Bob Bergum questioned whether the items identified in Site Planning & Civil Engineering might have already been paid, or whether they are included elsewhere in the proposal, and Linda Hiland reviewed fees paid in 2012. The Building Committee will submit Bob Bergum's question to the architect for response, and Kevin Budsberg will provide additional detail on the 2012 fees to Linda Hiland.

Preference of the library board was to have the building committee discuss in more detail with the architect and identify any cost savings, and report back to the library board with a recommendation.

DISCUSSIONS WITH VILLAGE ADMINISTRATION

Linda Hiland outlined a discussion with Village Administrator Daily, and that the building project will likely be placed on the village board's August 20, 2019 agenda for commitment of funds. Linda Hiland noted that the library board should be prepared with the total project cost and an updated Concept & Budget Report (CBR) for the west side site. Since

the library board will receive the CBR in early August, a couple weeks before, a complete operational budget will probably not ready by 8/20/2019.

Administrator Daily will investigate the process for Plan Commission approval, since he is not familiar with how a municipality-library would seek approval of a plan from its own Plan Commission.

NEW BUSINESS

A. DISCUSSION AND CONSIDERATION: TRANSFER OF FUNDS.

Treasurer Kevin Budsberg noted that this is a request to replenish funds in the account (the "Small Savings Account") used to pay expenses and invoices like mowing and campaign promotional items. Currently, the small savings has a balance of \$378, and that there were a couple invoices expected. His recommendation was to move funds from another account (the "Big Savings Account"), which currently has a balance of \$38,744. Linda Hiland noted that she had underscored the need for the campaign to be mindful of funds they are using, and that the library board had approved \$2,000 for the campaign when working on the Glarner Park site. Bob Bergum made a motion to direct Kevin Budsberg to move \$2,000 from the "Big Savings Account" to the "Little Savings Account", second by Petra Streiff. Motion carried unanimously.

B. DISCUSSION AND CONSIDERATION: 2020 FEES FOR SCLS TECHNOLOGY, DELIVERY, AND OVERDRIVE

Director Holly Lague has not received the fees from SCLS. No action taken.

C. DISCUSSION AND CONSIDERATION: REAFFIRM ROLE DESCRIPTIONS FOR BUILDING COMMITTEE AND OWNER'S REPS

Motion by Petra Streiff to reaffirm Resolution 14-08LB (Building Committee) and amend membership to include Jody Hoesly, Kevin Budsberg, Tim Usher, Library Director, and Dimension IV Madison Design Group. Further, Petra Streiff moved to amend the Owner's Representatives to include Linda Hiland and Tim Usher. The motion was seconded by Bob Bergum and passed unanimously.

D. DISCUSSION AND CONSIDERATION: REVIEW LIBRARY HOTSPOT LENDING POLICY

Holly Lague reviewed the policy, and recommended approval, but to omit the fifth bullet under Loan Rules and Duration dealing with availability and pickup. Bob Bergum thusly moved approval, second by Petra Streiff. Motion carried unanimously.

REPORTS/DISCUSSION/CONSIDERATION:

A. ADMINISTRATION TEAM

CFSW FINANCIAL REPORT

Kevin Budsberg noted Jody's continued work balancing deposits and statements, and that CFSW has not improved this process, but that he believes there is still effort continuing.

New Glarus Public Library Director's Report – Presented July 17, 2019 Holly Lague, Director

Summer Library Program

We've reached the halfway mark! There are 277 participants:

- Listeners (babies and preschoolers) have read 2,178 books
- Elementary students have read 780 hours
- Teens/tweens have read 663 with 7th graders in the lead having read 291 of the total

Sixty kids and caregivers signed up for the portable planetarium shows, and our Friends are stopping by to take good pictures for their brochure and library use. Invitations have been sent for our final Star Wars-themed party, and an intergalactic army of volunteers are ready to man the activity stations.

Summer/Fall Event Update

Independent Retailer Month – 16 merchants loaned us items for display, many expressing appreciation for the effort and agreeing to put up flyers for our receipts-for-fines promo. Going door-to-door was a nice opportunity for me to interact with many business owners and to talk up the marketing speaker we're hosting this month.

Hotspots Trial – Kicked off last week, and one is going to Alaska!

Outdoor Movies – We decided to hold off on the July movie plans because we have a possible collaboration with Larry Daehn to provide live music for a silent film and need more time to prepare. I'm also working on getting copyright permission to play the Tell documentary from 1986, hopefully in August to help promote the play. This could be the kickoff for a fall series of outdoor "date night" movies if all goes well.

Director Lague further indicated that Village Administrator Daly is committed to a 2% wage increase for all Village employees. A discussion point was the only line items in the Library budget that have increased over the last several years are salary and benefits. With the recent changes in staff (beginning at hiring Director Lague) it is likely our benefit costs line item will increase and we will need to request funding from the Village Board. New Glarus Public Library Director's Report – Presented August 21, 2019 Holly Lague, Director

Library Staffing Update

We posted our new Youth Services Librarian and Library Clerk positions online (our website, the scls-announce email list, Wisconsin Library Association jobs board, and Youth Services also went on the UW-Madison and UW-Milwaukee library school job boards) on Thursday August 1st and an ad was included in the Post Messenger Recorder on August 5th and 12th. We've received several promising applications for both positions and began scheduling interviews on August 15th. The positions are listed as open until filled, but we hope to have at least one start in early September.

Summer Library Program

Final statistics for SLP:

- 8 weeks of prizes and activities
- 291 participants turned in 1813 reading logs!
 - o 73 preschoolers read 3732 books
 - o 116 elementary age read 1538 hours
 - o 102 teens/tweens read 1326 hours
- 13 events attended by 558 people (362 kids and 196 adults)

Fall Events

Although recurring children's events are on hold until the new Youth Services Librarian settles in, Erica has planned several fun activities beginning in October, including a return of our Halloween Costume Exchange, a movie screening, possibly a Halloween party and some drop-in crafts.

For adults, we plan to get the scanning kit from SCLS to digitize photos, we'll be offering a four-class Yoga series again this year, a finance seminar, and we still hope to do at least one outdoor fall movie. The Tell documentary is now slated for July 2020, as a lead-up to New Glarus's 175th anniversary celebrations. We will be working with Tell via the Friends at this year's festival; the library is providing the popcorn machine and supplies so the Friends can sell it at the DJ portion of Saturday night's street dance and promote the book sale.

MINUTES OF THE NEW GLARUS PUBLIC LIBRARY BOARD OF TRUSTEES New Glarus Village Hall – Board Room Wednesday, September 4, 2019 - 6:30 P.M.

AGENDA

- 1. Call to Order: President Linda Hiland called the meeting to order at 6:30 pm. Trustees present, in addition to Hiland, were Beth Blahut, Kevin Budsberg, Petra Streiff, Shelly Truttmann, and Suzi Janowiak. Absent: Jody Hoesly. Also present were Library Director Holly Lague and Village trustee Michael Bell.
- 2. Approval of Agenda: Kevin Budsberg moved to approve, 2nd by Petra Streiff. Motion carried.
- 3. Comments & Questions from the Public: The board welcomed Trustee Bell and asked if he had any questions for them. President Hiland explained that the Library Board always asks the new Village trustees to meet in person as an orientation, and will include himself along with Mike Ganshert and Tammy Newbury at a future date. Holly Lague explained that the Village Board had voted unanimously in May of 2019 to establish the Durst Rd. property as the final site or the new library. Michael Bell then asked about specifics of the Durst Rd. site. Linda Hiland showed him the latest concept plan and explained the boundaries of the property and the existing easement with the Swiss Center. Discussion of the proposed sidewalk and pedestrian crossing. Petra Streiff said that much more discussion and answering of questions could take place during the meeting with the newest Village trustees.

Kevin Budsberg explained how each community uses its library uniquely. Holly Lague provided examples of services the library provides to the public. Kevin Budsberg mentioned the fact that not everyone in our service population has access to the Internet at home, for example, and that alone is a huge disadvantage to that segment of our citizens. He mentioned the Hotspot program that Director Lague has instituted.

Linda Hiland said she would prepare a history of the new library program for the new trustees to get them up to speed on where we are now. Michael Bell said that he has observed the dynamics of the dialogue about the project in recent years and wants to understand the facts. Kevin Budsberg gave a synopsis of the fundraising to date. Discussion of the fact that many people have stated that they will donate or renew their old pledges once site work has begun and people see the project is commencing. The uncertainty of the past few years has slowed the rate of donations, which is why we are seeking a commitment from the Village to reinvigorate fundraising. Linda Hiland explained our different fund accounts with CFSW. Kevin Budsberg clarified that currently there is no commitment of borrowing from the village, as that had been rescinded in a village vote in 2018. Discussion at the Sept 3, 2109 Village Board meeting had indicated that the village has a resolution in place to borrow one million dollars, but that is not the case. Michael Bell said that he had been informed of that earlier in the day. He then asked about how the library's operating budget is currently structured, and best estimates for the future. Linda Hiland and Kevin Budsberg explained that a projected operating budget had been prepared for the Glarner Park concept plan, but we cannot prepare an accurate projection until we have an approved concept plan for the Durst Road site.

Linda Hiland detailed the \$100,000 commitment we have from the Town of New Glarus, and that \$40,000 of that will be applied to our first two years' operating budget in the new library. Discussion of when the group meeting with the new trustees can be scheduled.

- 4. Old Business
 - A. Discussion and Consideration: Library Building Project: Linda Hiland asked the board what the next steps should be given the result of the Sept. 3, 2019 Village Board meeting

when the Library Board asked for a financial and concept plan commitment from the Village Board (no action was taken by the Village Board). Consensus to reach out to Village trustees to ask what additional information they would like before the issue is on the agenda again, and to ask Administrator Daily again to provide the estimated tax impacts of any borrowing. Petra Streiff and Linda Hiland to ask Administrator Daily why the trustees had not gotten the letter the Library Board sent to the Village Board trustees dated August 26, 2019. Michael Bell stated that his own desire was to have as much information as possible so that he can formulate his opinion and make an informed decision. Discussion of other scheduled village projects and how they will proceed alongside the library project if the village commits to borrowing for the library in 2020. Kevin Budsberg told Michael Bell that many, many documents about the library and the new library project can be accessed on the library's website.

New Business

- A. Discussion and Consideration: Policy updates for Paid Holidays, Vacation and Sick Leave, and Homebound Delivery Service: Director Lague outlined her proposed changes to library policies for holidays, vacation, and sick leave to better correspond with village practices; as well as reflect her own desired structure for employees of the library. Discussion of the proposed changes and wording edits. Director Lague said she would continue to refine the changes and bring it back to the board at a later date. Discussion of the Homebound delivery service and her proposed changes to that policy. The goal is to make the service available to more patrons, and she reported that they have more volunteers to make deliveries now as well. Kevin Budsberg made a motion to approve the changes to the homebound policy, 2nd by Shelly Truttmann. Motion carried.

New Glarus Public Library Director's Report – Presented September 18, 2019 Holly Lague, Director

New Employees On Board

Brooke Mathews, Youth Services Librarian, and Wendy Jacobson, Library Clerk, started work at the beginning of September. Both are coming up to speed quickly and we're happy to have them aboard!

Children's Programs

Brooke is already hard at work planning and preparing a new lineup of children's programs, set to begin September 23rd. Recurring programs include:

- Story Time at 10:00 am on Mondays with a repeat on Wednesdays, so patrons can choose the time that works best for them. These sessions will include a mix of elements from both our traditional story times and our popular Music & Movement series, such as finger plays, songs, rhymes, hands-on activities and of course, books.
- Mini Makers at 10:00 am on Fridays will have different centers each week ranging from games, puzzles, building projects, concept play (such as ABC's and 123's) and hands-on learning through exploration.
- Free Play, one Thursday per month from 10:00-Noon: Our standing library playdate giving kids and caregivers a chance to socialize and explore developmentally appropriate play materials in a safe, warm and joyful environment.

Construction Projects

We've received word that not only will 2nd Street be closed in front of Village Hall beginning September 30th but also Village Hall is potentially getting a new roof. These projects are both weather-dependent so they might happen concurrently. We're proactively working with the Village on dumpster placement and the potential for unlocking the Community Room doors during library hours to ensure that patrons can still access the library.

New Glarus Public Library Director's Report – Presented October 16, 2019 Holly Lague, Director

October Events

Children's programs have been well-attended since they started back up in late October (for example, Storytime is averaging 18 kids/9 adults at each of the two weekly sessions). Twelve kids got Halloween costumes at our Costume Exchange. Our Read with a Firefighter event got a ton of interest on Facebook (due to vacation I'm writing this report before the event – will share details about turnout at the meeting). Our annual four-week yoga session begins October 16. We're successfully collaborating with the Tell Guild on an "after dark" outdoor movie for Halloween.

Staff Meetings

We resumed our monthly staff meetings on October 1st, discussing a desk coverage schedule for hours when Wendy isn't here, our upcoming Stats Week (October 21-27) to gather reference transaction data for the Annual Report, and a few other items.

Mental Health Training

The library will be closed on Friday October 18th so staff can attend a Mental Health First Aid training in Monroe with the rest of the Green County libraries. The training is geared toward providing front-line workers with strategies and background information to help us respond to and support patrons who come to the library when they are experiencing a mental health issue.

She invited him to our November 20 donor/supporter event. She and Director Lague will attend the Town of New Glarus meeting November 6, 2019. Discussions have been ongoing with the SCNA about sidewalk configuration and other questions. Discussion of various permits and fees and how that might be affected as this is a municipal project. Discussion of Plan Commission (parking variance), possible easement re: parking with the SCNA. Linda Hiland to contact some experts about these issues. The architect has requested the library board consider whether or not to install a sprinkler system in the new building, or construct the building so that a sprinkler system could be installed later. The planned size of the library does not require a sprinkler system now, but potentially the library might need one if a future expansion brings us to the square footage requirement. Linda Hiland will look into easement request, Holly Lague to look into sprinkler system requirements, and Suzi Janowiak will research parking variance requests.

New Glarus Public Library Director's Report – Presented November 20, 2019 Holly Lague, Director

Hotspot Trial Results

Our July-October trial of wi-fi hotspots went well, with some patrons coming back for it multiple times and others taking it on one-time trips (as far as Alaska!). Comments we received include:

- "I'm so glad I borrowed one when I did because it more than halved my download time. It really
 reduced the internet inconvenience of living so far out of town, and I think it was great, even if I
 had other options for wifi."
- "Fantastic idea!"

We've decided to continue providing the current Sprint hotspots, although we will stay on the lookout for other providers. Currently Sprint offers the best deal on unlimited, non-throttled data without a contract. We know coverage is stronger with Verizon but they are more expensive and cap data speeds after a certain limit is reached.

Follow-ups from Last Report

Our new page Alayna Lewis is on board and doing great!

October events:

- Read with a Firefighter: 24 adults, 35 kids = 59 attendees! We had our mobile checkout station and patrons took home 17 books; Firefighters read 5 books to the kids, and we donated 6 books donated to their Reach a Child program
- Yoga was well-attended with about 16 people each time, and people have expressed that they wouldn't do it otherwise;
- Halloween "outdoor" movie was super cool, but attendance was disappointing we
 expect due in large part to the rain and cold. Lots of positive feedback about the idea so
 we will try again.

Staff attended Mental Health First Aid training on Friday October 18th with other Green County libraries, receiving tips on how to respond and help patrons who are struggling with mental health.

MINUTES OF THE NEW GLARUS PUBLIC LIBRARY BOARD OF TRUSTEES New Glarus Village Hall – Board Room Wednesday, December 4, 2019 - 6:30 P.M.

AGENDA – Amended (December 3, 2019 4:00 P.M.)

- 1. Call to Order: President Linda Hiland called the meeting to order at 6:30 pm. Those present, in addition to Hiland, were trustees Beth Blahut, Jody Hoesly, Kevin Budsberg, Petra Streiff, Shelly Truttmann, Suzi Janowiak, and Library Director Holly Lague.
- 2. Approval of Agenda: Shelly Truttmann moved to approve, 2nd by Jody Hoesly. Motion carried.
- 3. Comments & Questions from the Public: None.

4. Old Business

A. Discussion and Consideration: Library Building Project: President Hiland reminded the board that we will need to draft a new proposed operating budget for the new library. Discussion of updating our last draft operating budget document for the new library design. Jody Hoesly will initiate this process. We will get confirmation from the village that mowing and plowing will not need to be part of our operating budget, as a village department. We will revisit the draft operating budget in mid-January. Donor recognition policies/procedures need to be updated as we enter this final phase of fundraising. President Hiland presented some materials that illustrated various entryway recognition (electronic and physical versions) that had previously been discussed by the board. We will work on naming our donation level categories.

5. New Business

A. Discussion and Consideration: Amendment of Circulation Policy: Director Lague stated that they have been receiving borrowed materials back in poor condition. We already have a policy that if items are returned damaged, they must be paid for by the patron. She asked the board for their thoughts on amending the policy for repeat offenders. After discussion, it was decided that we do not need to amend the policy at this time.

6. Reports/Discussion/Consideration:

- A. Administration Team: Kevin Budsberg made a motion to pay invoice 10824 from Dimension IV invoice for West Side site civil design work from the CFSW Capital Fund in the amount of \$1,027.50; 2nd by Jody Hoesly. Motion carried.
 - CFSW Financial Report
- B. Building Committee: Kevin Budsberg reported that Edge Engineering has determined that the site will need more preparation than previously thought in order to comply with Village regulations, including more retention walls. However, this additional site work will improve the current runoff situation that exists in the Durst Valley Road area. The Building Committee is recommending that the entire site work should be bid all at once to save money. We will need to consult the village administration and engineers to see how we can work together on this. We need to let Maas Brothers know when we want to start the bidding process. We will need to get the Site Plan approved by the Plan Commission before that can happen. Kevin Budsberg moved that the civil engineering plans comply with the Special Flow Restriction Zone Ordinance because the Library Board is serious about its commitment to Durst Valley; 2nd by Shelly Truttmann. Motion carried.
- C. Owner Representatives: No report.
- D. Co-chairs Team: Still need new leaders and business team members. We are continuing to secure new Leadership donations for the final sprint of fundraising.

- E. Communication Team: Discussion of an article before the end of the month for the Schlecht Family Foundation challenge grant. Consensus that our end date for capital fundraising of 10/10/2020 is a catchy one.
- F. Grants Team: We are grateful for our grant from the CFSW. We are now aware we can apply for more than one grant at a time during their annual grant application period, which is good to know for future years. The team members continue to identify new grant opportunities; and also our needs for 2020. Beth Blahut has been researching opportunities for grants, school projects, or donations in the area of art for the new library.
- G. Partnership Team: Will meet with representatives of the New Glarus Home on Friday December 6.
- H. Village Board Liaison: Petra Streiff suggested budget discussion be put on our next agenda in case we want to make some minor changes. She noted that our donated funds deposited in the Capital Fund at the State Bank of Cross Plains have been earning a good rate of interest.
- I. Friends of the Library: Director Lague is looking into new electronic book resources and online subscription for children.
- J. President's Report: No report.
- 7. Adjournment: President Hiland adjourned the meeting at 8:43 pm.
