Unknown expenses at this time include insurance, utilities, and cleaning service.
  - B. Discussion and Consideration: Library Personnel Reserve: Discussion of designation of the difference between reserves for operating expenses and reserves for sudden changes in personnel fringe benefits. Petra Streiff noted that the 2019 cycle resulted in additional personnel expenses that should be rare going forward. She stated her belief that it is a good thing that we have at least two funds dedicated to these contingencies. She is in favor of renaming the fund Operational Reserve, as personnel falls under operating. Director Lague stated her idea of earmarking a certain percentage of the balance for personnel expenses. President Hiland likened the concept to a Rainy Day fund, and noted the resolution would need to establish specific guidelines for future boards and staff. Additional discussion of the need for future sinking funds for maintenance for the new library. We will need a new resolution in order to rename the fund and establish the new guidelines. ## New Glarus Public Library Director's Report – Presented January 15, 2020 Holly Lague, Director

#### New Library Software

On December 9<sup>th</sup>, South Central Library System implemented new integrated library software (ILS) Bibliovation. The legacy software, Koha, was aging past its useful life and getting more difficult and expensive to support on modern web browsers. Although many kinks are still being worked out (including issues with holds, slow response times, and patrons being unable to access reading history), we are generally pleased with the new system and confident that the overall improvements in search and usability will outweigh the rough start.

#### **New Displays and Music Browsing**

We're working on a project to make our CD collection easier to browse. When the CDs are moved to a new rotating display rack, we will have some extra space near the windows for book displays. We're also moving our microfilm machine to the back office and creating new areas for display just inside the library entrance. We've got a lot of talented librarians ready to make the collection more accessible in these bite-sized chunks and can't wait to see what everyone comes up with!

#### Winter Reading Program

Our popular winter reading program Cozy Up to a Good Book is back in session. By turning in book reviews, adults get a scratch-off ticket for a chance at prizes sponsored by our Friends of the Library, including fluffy socks and blankets, designer teas and chocolates, spa products and more. Program runs January 6-February 15.

\*WiFi Sessions: SCLS installed new wireless access points and the software they use counts statistics differently, so we are seeing a significant drop in this metric although usage has not really changed.

## New Glarus Public Library Director's Report – Presented February 19, 2020 Holly Lague, Director

# Friends Ongoing Book Sale & New Yard Signs

One of the most exciting improvements in our furniture rearranging project has been to establish a space for our Friends to host an ongoing book sale. It launched last month and has been very popular! Within the first few weeks we've put out about 4 storage tubs of books, and people have been donating generously.

The Friends have also sponsored a batch of new "I Heart My Library" yard signs and window clings, an initiative by the capital campaign communications team. They went on sale in time for Valentine's Day and we look forward to seeing this positive message spreading around town.

# Winter Reading Program - Highlights

Program ran January 6-February 15; this is four weeks shorter than last year's program, which had been extended due to the crazy number of snow days in 2019. As of the writing of this report on 2/13, we have 26 participants who turned in 115 book reviews. Part of the fun (besides winning prizes!) is seeing the books that other participants recommend, which Erica posts to our Facebook page and on the bulletin board in the library.

## **Monthly Statistics Format**

This director's report features some (very rough) initial visualizations for an update to our monthly statistic reporting. Not being a graphics person, I plan to work with SCLS to make something that looks much nicer and is easier to update, but thought I'd share some early ideas as we move away from the spreadsheet model and toward a more illustrative design.

- 34. - 35. Approval of Agenda: Kevin Budsberg moved to approve, 2<sup>nd</sup> by Jody Hoesly. Motion carried. Kevin Budsberg made note of the fact that the Village Administrator and Village President had been invited to attend the closed session. His opinion is that the pledge payments should be directly routed to the foundation in question and not handled by the Admin team. Linda Hiland suggested public advertising for the event. Discussion of other ideas to promote the event and make it successful. Jody Hoesly has been working in search of a possible campaign manager. She also suggested a possible tie-in with the New Glarus 175<sup>th</sup> celebration in fundraising initiatives.

  - B. Discussion and Consideration: Policy updates for emergency closures and employee benefits: Kevin Budsberg moved to approve, 2nd by Shelly Truttmann. Motion carried.
  - C. Discussion and Consideration: Current guidance, restrictions and library operational continuity: Director Lague updated the board on the closure; and the information she is getting regarding the official directives from the state and SCLS regarding how long libraries will remain closed, and how this will impact services. So far, there is the capability of engaging with patrons electronically. Storytime online is being offered. Technical support is also being offered to patrons as they learn new technologies. SCLS is hoping to offer deliveries again before physical locations open, as soon as they determine it is safe to transfer materials. This is a possibility as they figure out a phased approach to re-establishing normal library services in the coming weeks and months. Kevin Budsberg asked how the staff is doing, and Holly Lague reported they are working well both remotely and in the library as possible, and all were healthy at the present time.
- 6. Bills & Finance Report
  - A. Bills: There were three sets of bills to be approved. These were as follows: February 25, 2020: Total \$10,734.17; March 11, 2020: Total \$3,863.39; March 27, 2020: Total \$1,670.99. Discussion of how to separate out the normal expenses of the library versus the campaign/building project invoices that we receive.   - A. Administration Team: No report.
    - CFSW Financial Report
    - B. Co-chairs Team: Discussion of how the current crisis will affect our timeline and next steps. Linda Hiland detailed the results of some of her research and discussion with experts on additional ways of securing support for the project once we can think about fundraising again. Discussion that it is too soon to tell how long things will be unsettled and we will need to just wait and see how things unfold, and concentrate on how the library can support the community in this time of need.
    - C. Communication Team: Discussion of messaging with the public regarding the current crisis and the vital role the library plays in our community at all times; and how the board and staff are working to meet the needs of the public right now. Consensus of a likely delay to the planned fundraising deadline of 10/10/2020; and putting fundraising on hiatus during this crisis. Consensus to draft a communication to the public about all of the above.
    - D. Grants Team: Continue active outreach and applications as they can during this period.
    - E. Partnership Team: No current meetings scheduled during the crisis.
    - F. Village Board Liaison: Petra Streiff reported the current crisis has resulted in a lot of uncertainty about the future and the economy, and reported on the current state of village operations. She stated that the village government is in good shape and operating as normally as possible. Meetings have been reduced.
    - G. Friends of the Library: They are planning Trivia Night as an online event rather than in person; and as a fundraiser to address the current health crisis. All donations will be freewill, and directed to local emergency relief causes instead of the Friends. The event will be on Saturday, April 18th at 8:00 pm. The format is still being finalized, but will offer the public multiple ways to participate.
    - H. President's Report: President Hiland asked the board if they thought we need to have our regular 2nd meeting of the month in April, or just wait until the following scheduled meeting on May 6. Consensus to wait until May 6, 2020, unless an interim meeting is needed.
- 10. Adjournment: President Hiland adjourned the meeting at 7:54 pm.

#### Wednesday, April 15, 2020 - 6:30 P.M.

#### AGENDA

- 43. Call to Order: President Linda Hiland called the meeting to order at 6:30 pm. Those present via teleconference, in addition to Hiland, were trustees Beth Blahut, Kevin Budsberg, Shelly Truttmann, Jody Hoesly, Suzi Janowiak, and Library Director Holly Lague.
- 44. Announcement: The Library Board will convene into a closed session called under WI State Statue 19.55(I)(e) for deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business [Easement agreement with Swiss Center of North America].
- 45. Approval of Agenda: Kevin Budsberg moved to approve with addition of 6B, 2<sup>nd</sup> by Shelly Truttmann. Motion carried.
- 46. Comments & Questions from the Public: None.
- 47. Old Business
  - A. Discussion and Consideration: Library Building Project
    - Transfer of funds to pay Edge Consulting Engineers Invoice 57458 for Topographic Survey: Kevin Budsberg moved to approve payment of the following invoice from CFSW Capital Fund: Edge invoice 57458 in the amount of \$2,000.00 dated 12/17/2019, 2<sup>nd</sup> by Jody Hoesly. Motion carried.

Kevin Budsberg then updated the board with the following statement: "At the last meeting, we approved a set of bills totaling \$49,800.00. At that time, I didn't know that the Dimension IV had an agreement with Edge to act as a pass-through for engineering for our project. Thus, the Edge invoices were intended as documentation for the charges on the Dimension IV invoice (\$24,900.00). I discovered this the following day while documenting the bills. Dimension IV confirmed this, and I instructed Wyatt Jackson at CFSW to only pay the Dimension IV invoice since they will pass payment to Edge. I reviewed all Dimension IV and Edge invoices to find potential duplicates and did not find any other examples of this." This clarified why the amount approved at the April 1, 2020 meeting was more than the amount of the invoices due at that time.

#### 48. New Business

- A. Discussion and Consideration: Mowing of west side property: President Hiland said that she would ask Administrator Daily if the village will continue to mow the grassy area of the property, and asked the board if they wanted her to contact Roger Arn about the hay portion, as we had in previous years. Consensus to ask Roger Arn first.
- B. Update on library operations: Director Lague updated the board on Trivia Night (virtual) for Saturday, April 18, 2020. Online registration continues. Paypal will be the option for freewill donations, which will benefit local disaster relief efforts. She is working on setting up new electronic devices to share with community partners, such as the New Glarus Home, so that patrons can continue to use online services during the Safer at Home directive. SCLS is discussing ways of restoring normal library services once the situation eases. Curbside service is one option. She also updated the board on how the closure will affect our budget going forward; including county reimbursement, which is based on circulation. She is finding ways for staff to work from home and also continue their professional education via webinars. Jody Hoesly

reported as a Green County Board representative about preliminary projections on the pandemic's overall economic impact in Green County. She also commented that Director Lague is doing a fantastic job in providing services as well as supporting the local businesses and communities during the crisis. Director Lague remarked that as much as possible, library staff is working from home as per state directives.

## Wednesday, May 20, 2020 - 6:30 P.M.

## AGENDA

- 63. Call to Order: President Linda Hiland called the meeting to order at 6:34 pm. Those present via teleconference, in addition to Hiland, were trustees Beth Blahut, Kevin Budsberg, Shelly Truttmann, Jody Hoesly, Suzi Janowiak, and Library Director Holly Lague.
- 64. Approval of Agenda: Shelly Truttmann moved to approve, 2<sup>nd</sup> by Jody Hoesly. Motion carried.
- 65. Comments & Questions from the Public: None.
- 66. Old Business
  - A. Discussion and Consideration: Mowing the west side site: We still need to find someone to mow the hay. Shelly Truttmann reported her efforts to find someone who wanted to do this. She has identified two possible people. Consensus to contact the previous mower one more time to try and get an answer one way or the other, and if we don't hear back from him we will ask the other person who expressed interest.
  - B. Discussion and Consideration: Reduce to single meeting next month, proposed June 17: Postponed until after discussion of 4D. After discussion in 4D, it was decided to hold our June 3 meeting online.
  - C. Discussion and Consideration: Resolution 20-03 LB Recognizing Petra Streiff as Library Board Trustee: Kevin Budsberg moved to approve, 2<sup>nd</sup> by Jody Hoesly. Motion carried unanimously.
  - D. Discussion and Consideration: Phased Reopening of the Library: Director Lague referred to her memo regarding this process with the Board, based on several protocols and sources of information including DPI's recommendations on phased reopening. She reported that Monroe Public Library will not be reopening to the public until July 1<sup>st</sup>. Director Lague is currently thinking a phased reopening should start no sooner than two weeks after Memorial Day, which would be June 9. The book drop will be open again soon. Curbside pickup will resume as soon as the new roof on Village Hall is completed and the barriers are taken away from the front of Village Hall. She would like to expand curbside pickup in June. She is shooting for June 29th as a date when we can start letting patrons into the building in some format. It will be appointment-based use of computers which will be located in the Community Room and arranged according to best practices in social distancing. She suggested continuing to meet twice a month in order to be able to make decisions as conditions change. She asked the board for suggestions on which metrics to use from the many available, Dane County being one with the most hard data; as well as a focused plan for reopening, while Green County currently does not. Jody Hoesly endorsed using Dane County's data and metrics as a guide. Kevin Budsberg detailed the low level of testing in Green County and how that negatively affects our ability to accurately determine the real level of the virus locally. Now that many bars in Green County are open and tourists from other areas/states will come to visit, we can expect that our risk level will increase. Discussion of liability issues for government bodies and businesses as they reopen. Discussion of various

scenarios as we reopen our physical space. Jody Hoesly suggested a possible way to introduce one-way traffic through the library after reopening. Holly Lague discussed that as an option, and stated that Plexiglas barriers around the circulation desk will need to be installed. Shelly Truttmann offered to help research Plexiglas barriers. Holly Lague stated the concerns of the staff for their own exposure, and how they are planning to protect staff in all ways possible after reopening. Beth Blahut stated her support for following Dane County guidelines, and other trustees concurred. Kevin Budsberg stated that this is the best information we have currently. Linda Hiland stated that our number one concern is safety of both patrons and staff, and that we have to be able to constantly access and interpret all the data available to us moving forward. Director Lague suggested making the public aware that we will be following Dane County guidelines as we consider reopening, while also assessing Green County data and any other relevant information. She suggested holding our regular June 3, 2020 meeting.

## New Glarus Public Library Director's Report – Presented May 20, 2020 Holly Lague, Director

## **Closure Recap**

Following guidance from public health authorities regarding the COVID-19 pandemic, the library building closed to the public on Monday March 16th. During the initial weeks, we focused on services we could provide remotely, including:

- Daily resource recommendations for adults and virtual children's programming via Facebook.
- Technical support via phone and email.
- Issuing web-only cards via email, so new patrons could access our databases from home.
- Virtual Trivia Night on April 18<sup>th</sup>, attended by 106 people from 63 households, who donated \$949 to local healthcare workers, food pantries, and family meal services.
- Reallocating \$1,500 from Audio-Visual materials budget toward digital support, including devices for patrons at the New Glarus Home to access e-books, audiobooks, online church services and other virtual events.
- Processing new materials. While many libraries had to cease ordering and cataloging, Erica was able to continue, which now puts us in the unique position of being able to offer new titles ahead of many libraries. We're currently loaning new items only to New Glarus patrons and they are limited to 2 per pickup, until Delivery is running regularly again.

## Phased Reopening

We will continue to follow public health guidance on safety for staff and patrons. At this time, we are developing a phased reopening plan based on the guidelines from the Wisconsin Department of Public Instruction (DPI) and the Badger Bounce Back plan. Planned expansions to services include:

- Offering curbside pickup of library materials (began Friday May 1)
- Scheduling bulk returns for patrons with more than 20 checkouts (began week of May 11<sup>th</sup>)
- Opening the book drop (will follow Village Hall roof replacement)
- Walk-up window service (limited hours tentatively starting June 1<sup>st</sup>)

We also hope to install StoryWalks around town, and provide computer access by appointment, possibly in the Village Hall Community Room. Plans are still being worked out.

## Summer Library Program

Brooke has been attending regular virtual meetings with other Youth Services staff and working on plans to make our summer program as simple and accessible as possible, with take-and-make project kits, book giveaways (no strings attached), and an opportunity to share book recommendations using window clings and win gift certificates to local restaurants and retailers.

## Staffing Updates

Beginning in June, Brenda will be working two 6-hour shifts per week while Wendy will be able to reduce from four down to three 6-hour shifts, a change she requested due to family obligations. We're happy to report that this solution suits both staff members, allows us to increase clerk coverage at the desk, and all without increasing the budget or losing valuable employees.

- 74. Comments & Questions from the Public: None
- 75. Old Business: Prior to discussion, those present welcomed new trustee Kaylee Walters, and everyone introduced themselves.
  - A. Discussion and Consideration: Mowing the west side site: President Hiland reported that Roger Arn will continue to mow the hay area of the property. The village will mow the lawn area.
  - B. Discussion and Consideration: Phased Reopening of the Library: Director Lague referred to the documents she had sent to the trustees regarding phased reopening of the library, in accordance with DPI recommendations. The board reviewed the proposed policies and approved them. Jody Hoesly suggested making sure patrons know these policies are in accordance with CDC and other government and scientific community guidelines. The staff will wear masks and patrons will be strongly encouraged to wear them as well. The library hopes to have supplies of masks for patrons who do not have their own.

Director Lague detailed the construction of the Plexiglas barrier around the circulation desk which is being installed in June; as well as the relocation of furniture in the library to enable safe distancing. Computer sessions will be by appointment and located elsewhere in the Village Hall. Window service continues and will be increased as we move into Phase 2. SCLS is gradually phasing in allowing patrons to place holds, interlibrary loans, and returns of materials. Director Lague presented her detailed plan for safe handling/quarantine of these materials as they come in and are sent out. She related that patrons have been very accepting of the window service guidelines and format. She requested the board approve her suggested additions to the Patron Behavior policy. Jody Hoesly moved to include this paragraph in the existing Patron Behavior policy, 2<sup>nd</sup> by Shelly Truttmann. Motion carried. President Hiland asked for a motion to support the Service Level plan. Motion by Jody Hoesly, 2<sup>nd</sup> by Shelly Truttmann. Motion carried.

- 76. New Business: None.
- 77. Reports/Discussion/Consideration
  - A. Administration Team: Kevin Budsberg mentioned that the access to the statements will need to be amended, removing him and adding the new Treasurer. Jody Hoesly offered to be the point person on these reports until a new Treasurer and member of the Administration team is appointed.
    - CFSW Financial Report
  - B. Communication Team: No report. President Hiland asked Director Lague if she would like the Library Board to make any press releases or public statements. Director Lague said that she will continue to update the public via her regular articles.
  - C. Grants Team: Will meet virtually to craft their timeline for the coming year. Still planning next steps.
  - D. Partnership Team: Director Lague attended a Chamber of Commerce meeting after the state Safer at Home restrictions were lifted. She reported that business owners as well are proceeding carefully as we deal with safely reopening commerce. Jody Hoesly reported as a County Board member that sales tax

revenues will be severely down this year, and the county is considering whether or not to hold Cheese Days in September.

- E. Village Board Liaison: President Hiland asked Kaylee Walters if a liaison was appointed at the Village Board meeting on June 2, 2020, and Kaylee indicated that no one has been appointed yet. Discussion of how to approach this issue with Village President Roger Truttmann. Holly Lague reported that the Village Board having an official liaison is an optional position according to state statue Chapter 43. Kevin Budsberg related that he believed Village code requires a village trustee on the library board, and confirmed this by looking up the statutes. Discussion of attending all village board meetings at the table if a liaison is not appointed. President Hiland will contact President Truttmann to discuss. Director Lague mentioned that the Village Board meeting of June 2, 2020 discussion of reopening public recreational spaces resulted in no firm decisions.
- F. Friends of the Library: Director Lague reported that the scheduled live Summer Reading performances have been postponed to 2021. The Friends will send a donation to both scheduled performers as a good faith gesture to them as we rebook them for next summer.
- G. President's Report: President Hiland reminded the board that annual Election of Officers will be at the next meeting.
- 78. Adjournment: President Hiland adjourned the meeting at 8:24.

## New Glarus Public Library Director's Report – June 17, 2020 Holly Lague, Director

#### **Library Services**

Our curbside pickup service has been well-received. Beginning June 15, we're expanding it to a walk-up service available 5 days per week. We are also offering 5 computer appointments per week, with the hope that we can increase that number in the future. We have moved a computer to the entryway to accommodate these appointments. To help minimize traffic in the Village Hall lobby (currently limited to 2 people), we are asking patrons to wait in their cars until we call, or if that's not an option, to wait outside and we'll escort them in.

#### Physical space and staffing

We're in the process of moving or storing much of our furniture with the hope that we can soon safely allow patrons inside to browse the stacks by appointment. We anxiously await the results of the IMLS (Institute of Museum and Library Services) study on transmission risk of library materials to help us make an informed decision.

All staff members are pulling together to make the library a safe space. Erica has tracked down hand sanitizer and dispensers along with disposable masks that we can offer to patrons, Brooke and her husband are installing Plexiglass around the Circulation Desk, and whenever we work with materials or patrons we dutifully wear our masks and follow strict hand hygiene procedures.

#### **Programs & Events**

Summer Reading kicked off Monday June 15 with the first round of take-and-make activities, and our first book giveaway on June 17. We look forward to sharing lots of great titles on our Book Recommendation Window as well.

Finally, we're thinking about what events might be possible later this summer, if numbers and guidelines continue to look good. We would love to offer something like an outdoor movie or even a drive-in, if we can do it safely and with our limited staff. We are also considering another Virtual Trivia night for early fall.
